SEPTEMBER ACTIVITY

9/11 Remembrance

September was a month of remembrance, community outreach, support, and dedication to our mission.

Thanks to you and all of our supporters, we were able to continue our mission to Honor, Support, and Empower our post-9/11 Fallen Heroes, Gold Star Families, and Veterans.

9/11 REMEMBRANCE

WHEN STRANGERS COME TOGETHER

Seaport neighbors stop to lend a helping hand.

Due to the pandemic, we could not do our usual Vigil at the memorial this past September, but we did not let that stop us from honoring all those we lost on 9/11 and in the ensuing wars since.

With the help of neighborhood passersbyers, we created a beautiful 9/11 candlelight water fountain remembrance, displaying our service flags and a wreath at The Massachusetts Fallen Heroes Memorial in the Seaport.

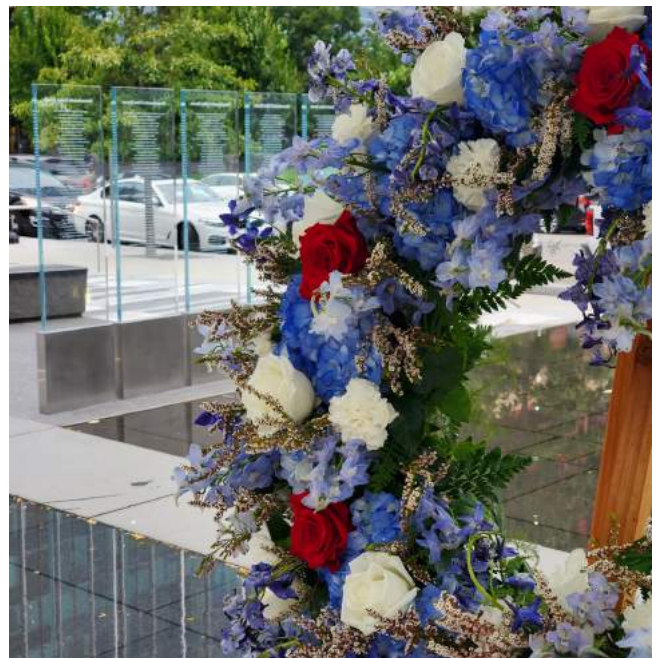

OUR AMAZING VOLUNTEERS AND SUPPORT

OUR VOLUNTEERS ARE THE BACK BONE TO THE MISSION

Our Mission continues thanks to our amazing volunteers and supporters.

This year has had a devastating impact on many; MFH was no exception. This fantastic team of volunteers has allowed us to continue executing our mission successfully and without fail.

Over the last nine months, these ladies and gentlemen have worked tirelessly to bring back safe and controlled sample sales. The dedication and loyalty you display every single week are ineffable. We are so proud and lucky to have such a force propelling our mission forward these last ten years, especially during this pandemic. Thank you, we are forever grateful.

TOGETHER WE CAN MAKE A DIFFERENCE

2020 BOSTON MARATHON

Veterans, Gold Star Families, and some fantastic civilians run together virtually and some in-person to support a great mission.

Despite the changes that this year has brought, our MFH Platoon pledged an oath to Never Forget our Fallen and their Gold Star Families. They have had to adapt and overcome this pandemic's challenges and have continued their training while reflecting and remembering why Never to Forget those who made the Ultimate Sacrifice. We at Mass Fallen Heroes are proud and honored by the dedication these 25 men and women have continued to display for our mission and would like to congratulate them all for an incredible 2020 Virtual Boston Marathon.

VETERANS DAY 2020

A VETERANS DAY LIKE NO OTHER

An Inspiring tribute and story:

This Veterans Day, two notable Soldiers, Jake DeSantis and 2LT Joe Morgan, organized a ruck fundraiser raising close to fifteen thousand dollars to benefit Massachusetts Fallen Heroes Mission.

Jake DeSantis started his 22 miles at the Tewksbury Police Department and finished at our memorial in Boston that Honors our Mass Fallen Heroes, and 2LT Joe Morgan did his 22 miles in Georgia where he is stationed, ending at the top of the coveted Currahee Mountain as once did their fellow brothers and sisters in arms.

Both were wearing a 45-pound rucksack and a 20-pound bullet-proof plate carrier. To help bring awareness to the 22 military veterans who die by suicide each day.

To read more about Jake and his story, please visit: <https://bit.ly/3n6iD4K>

Jake, a Burlington Police Officer, always wears two memorial wrist bands. One bears the names of his two grandfathers – one who served in the U.S. Army and the other in the Marine Corps. The other band is dedicated to Sgt. 1st Class Richard Martin and Specialist Paige Myers – two individuals close to DeSantis' heart, both of whom were lost to suicide.

VETERANS DAY 2020

LENDING A HELPING HAND

We will always support our fellow Gold Star Families and their Mission to remember their loved ones and all our Fallen Heroes.

This Veterans Day, Mr. Monti and the Jared Monti Foundation once again created a sea of flags to honor those buried at Bourne National Cemetery.

"We have done this twice a year for ten years now, and I will not allow this pandemic to stop us this year; their service to our country will always be remembered."

Mr. Monti and The Jared Monti Foundation triumphed over every obstacle that 2020 threw at them and were able to continue the tradition. We were honored to lend a helping hand and support a mission dear to our hearts.

SUPPORTING OUR COMMUNITY

Our Mission is to Honor our Fallen with that comes continuing their Mission in their name

All of us at MFH took an oath to Honor our Fallen, Support our Gold Star Families, and Empower our Veterans. The coronavirus pandemic has and continues to be overwhelming, and one of the most severe effects for many people is the feeling of utter helplessness in the face of widespread suffering and hardship.

Though staying inside and staying healthy are the most crucial ways to stave off this outbreak, it has lead to many other impactful and life-changing situations such as job loss, food shortages, and millions of starving people.

Over the last nine months, we have fulfilled our oath to Honor our Fallen Heroes by honoring the oath they made to protect and serve our citizens.

We accomplished this by acquiring partnerships, securing storage facilities, and using our box truck to deliver weekly meals to families in need within the City of Boston and other parts of the Commonwealth.

None of this would be possible without our Donors and Volunteers, but most importantly, our Community Partners- Don Cox and The Massachusetts Military Support Foundation, Massport, CNA stores, and the City of Boston.

Charity Partners and Food Recipients- MFH Gold Star & Veterans, The City of Boston, Catholic Charities, South Boston en acion, South Boston Neighborhood House, Community Corner - Talbot Ave, West Ninth Street Apartments, Haitian Social Services, Ella J. This fall, Massachusetts Fallen Heroes set out to Auburn, Mass., Hanover, and South Boston to say hello to our Gold Star Families and give them two pounds of fresh cod fillet, three pounds of fresh salmon fillet from Boston Sword & Tuna, and various grocery items from Don Cox at The Massachusetts Military Support Foundation. We miss all our Gold Star Families and hope to gather again soon, but until then, we will continue to host our virtual craft night, bingo, trivia night, and small social distance gatherings like these.

WORKING TOGETHER

We are proud to help support Massachusetts Military Support Foundation mission to provide toys, backpacks, and clothing to Veterans and Gold Star Families

OUTPOST PANEL

Regan Communications Group and Regan Digital Studio hosted a special online event on December 10, 2020

Regan Communications Group and Regan Digital Studio hosted a special online event on December 10, 2020, with acclaimed film director Rod Lurie (The Contender), Oscar-nominated screenwriters Paul Tamasy & Eric Johnson (The Fighter, The Finest Hours, Patriots Day) to discuss their gripping 2020 war film; The Outpost (currently available on Netflix).

Those who Joined the discussion were Doug Distaso, Executive Director of the Veterans Cannabis Project (VCP), Dan Magoon, Executive Director of Mass Fallen Heroes, and Joe Lusardi, CEO of Curaleaf, which is raising money for VCP and Mass Fallen Heroes with proceeds from its custom-designed Veterans Cannabis Project pre-roll product.

The panel helped raise awareness for the Veterans Cannabis Project and its mission to improve the quality of life for U.S. military veterans through access to cannabis

The panel discussion, moderated by New York Times bestselling author & Regan SVP Casey Sherman (The Finest Hours, Patriots Day, Hunting Whitey), was a free online event that had over 400 viewers who provided the panelists with some great questions about the film, the effects of PTSD, and the benefits of the use of cannabis.

The Outpost, which is based on the acclaimed book by CNN's Jake Tapper, chronicles the Battle of Kamdesh, the bloodiest American engagement of the war in Afghanistan, and stars Orlando Bloom and Scott Eastwood.

"Our combat veterans deserve to be supported when they return home from the battlefield," said Paul Tamasy, producer & screenwriter of The Outpost. "Our film is authentic. It is the real deal, and an immersive accounting of the sacrifice these military heroes make to protect our freedom."

Supporters can learn more about VCP and donate to its mission here: <http://www.vetscp.org/donate>

TIS' THE SEASON

This year we all have experienced change and challenges, with more on the horizon as we raced into the holiday season. Regardless of our inability to see and spend time with one another, we will never forget you or your loved ones.

This past Holiday season, MFH personnel, aided by our young family members, decorated two Christmas trees placed at the Mass Fallen Heroes Memorial in the Seaport. We decorated each tree with ornaments that displayed the names of all of our Fallen Heroes.

These ornaments were made with 20 hours of labor from a crew made up of Gold Star families.

We want to extend our sincere thanks to WS Development and Evergreen Seaport Holiday Market for providing the complimentary trees.

TOYS FOR TOTS DELIVERY

Throughout this year, as restrictions tightened, so began the rise for those in need. Our team was honored to lend a hand to the fine men and women of the Weymouth fire department, Curry Hardware, and Tullish & Clancy Real Estate on the collection and delivery of these gifts for Toys for Tots this holiday season. A special thanks to a dedicated Marine and Weymouth Firefighter, Timmy Bailey, for his years of service to Toys for Tots and our Veteran Community.

The Mission Continues
